Podcasts become popular and are funded through the support of audiences:

When listeners subscribe, download episodes, and rate and review Service, our audience grows. The more our audience grows, the higher Service ranks on podcasting platforms. The higher Service ranks, the more we're supported and the more episodes and resources we can make! Most importantly, feedback from listeners helps podcasts create community - and we're all about community!

Your voices make a difference. Thanks for taking the time to share it.

Consider the prompts below or write your own thoughts. Then go to [Service on Apple Podcasts](#) to rate Service (1-5 stars) and add your review.

Listening to veteran _____ on Service, I learned:

I particularly liked/enjoyed:

(How was learning about history different listening to this episode than it might have been if you had read this story in a textbook? Did Service combining food and war history help? Did you hear something that piqued your interest?)

Rating (1-5):
